### HUDSON F&V L8

HUDSON F&V refrigerated cabinet with an inclined display surface, specially designed to create an attractive presentation for the sales of fruit and vegetables in stores. The specific construction of shelves with boxes provides the best way to display fresh produce in a vertical approach.

**NOTE:** We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions, or replacements for equipment previously sold or shipped.
