IOWAS is an elegant refrigerated cabinet for upright displaying of patisserie products. The model has rear sliding glass doors and its stainless steel lower display deck is a drawer system, which is convenient to slide out for product placement. Wide lower display surface and 3-level glass shelves provide optimal product visibility. Stylish curved shape IOWA S is a great choice for the appetizing display of cakes, pies, pastries and other desserts. Suitable for any format retail stores, bakery shops, and canteens. Can be multiplexed.

Standard:

- Round glass structure
- Multiplexible device
- Panoramic endwalls
- Sliding doors of insulated glass
- 3 levels of glass shelves
- Retractable shelf
- 4 levels of LED shelf lighting
- External colour – any RAL or imitation of wood
- Control panel
- Thermometer (solar powered or electronic)
- Energy-saving fans
- Polyurethane thermal insulation CFC free.

Options:

- Stainless steel or powder coated display surface.
