OAK VALLEY SPACE QB H2

Oak Valley Space QB H1 / H2 is a multi-level self-service refrigerated counter that provides excellent visibility for any refrigerated product that you want your customers to select themselves. Available with two to three display levels and several lengths, this cabinet ensures convenient shopping and is an attractive option for retail stores. Great for displaying pre-packed meat, poultry, seafood products, cheeses, and pastries. Multiplexable with other OAK VALLEY SPACE QB counters.

NOTE: We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions, or replacements for equipment previously sold or shipped.
